\*Any member who become aware of a fallen tree should advise a Board Member ASAP  
\*The Board will work to open the road as soon as possible being mindful of safety.  
\* The Board will maintain contact with a Tree Service who could support our effort.

## **Presidents Report**

### Entrance Road

Al confirmed that 2018 assessment vote for repairing of a portion of the Entrance Road did not pass. There was discussion on how difficult the road was to drive on in the Spring. (During Road Limit Season)

1. Discussion followed on whether pulverizing the road and replacing with gravel might be a better solution. (No decision)
2. There was further discussion that the 2018 Assessment Vote likely failed as financially the proposal was not deemed fair. (Anyone who used the entrance road should pay proportionally and the contingent funds should only be applied to members in good standing.)
3. It was suggested the Board should continue to explore options.

Annual Dues Discussion

Tom Rodell presented an informational and educational analysis of how the 2018 expenses were spent between the Gravel Road, Entrance Road and Village Point Lane. Further he presented how the 2018 and 2019 dues might have developed had they been built up for the gravel road, Village Point and the entrance road. There was discussion of the analysis, but no action was taken.

**OPEN BOARD POSITIONS**

Both Sue Rodell, Acting Secretary and Richard Long, Acting Treasurer said they would not continue in their positions.

Jim Kannas was voted in as Treasurer by the Members to a 2-year term. (2019-2021)

There were no volunteers/nominations for Secretary. The Board will continue to explore options for this position.

Meeting adjourned 10:02 AM

Respectfully submitted,

Sue Rodell
