Savings Balance

Don Schroeder reported on the Town Board discussing a room tax for those renting their properties. Permits were certified by County for 25-26 rentals. Town Board wants to be contacted to address rentals about fee for tourism.

Thanks to Glenn Doering, Dan Riegelman and Tim Nickels for addressing the potholes and washout areas. Earthworks added a culvert on the east side of East Harris Lake Road to hopefully eliminate any more washouts there. Will need to purchase more gravel stockpile.

Leaves blown from roadway by Z-Tech-Scott Zastrow. Plan to do every fall to help with reclaiming gravel when road needs to be regraded. Suggested to be regraded every 3 or 4 years. Gravel in ditches to be retrieved every 3 years.

Discussion on entrance road (0.3 Miles) and estimates shared:

To pulverize 16 ft. long, 17 ft. wide:

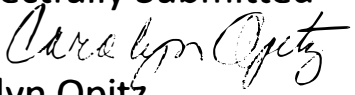

Base Course - \$24,000 per Pitlick & Wick Quote

Compact Asphalt - \$22,808 per Northland Quote

Don reported the hedge trimmer work along the road will be done.

Motion to adjourn at 11:30 AM

Respectfully Submitted

Carolyn Opitz
